Your Curriculum Vitae must include, at a minimum:

- Undergraduate medical education information and date of graduation
- A list, in chronological order (month/year) of all your postgraduate training appointments including, durations and level of training in each jurisdiction since graduation.
- A list, in chronological order (month/year) of all your professional appointments and type of practice including names of hospitals and/or clinics, discipline, duration and location (please specify the city, province/state, country)
- A list of all your previous and current medical licenses including type, duration, licence number and jurisdiction.
- A list of specialist and other postgraduate examinations and qualifications. E.g. Medical Council of Canada examinations, USMLE, CST, ECFMG etc.

Any gaps longer than three months in your history of training/practice must be clarified in the declaration of gaps in training form.
