The College of Physicians and Surgeons of Nova Scotia requires all applicants for initial registration in Nova Scotia to provide a certificate of professional conduct from all previous licensing authorities prior to the date a licence is issued. Certificates of professional conduct are required to assist the College in its mandate to protect the public interest.

There may be circumstances where a certificate of professional conduct may not be available for various reasons. In such cases:

- a) the applicant may be required to sign a declaration that he/she left the previous province or country in good standing and has not returned to practice outside of the dates provided in their application; or
- b) provide a letter from the hospital or clinic.
