Under the College's Medical Practitioners Regulations it is a requirement for physicians to carry medical liability coverage, malpractice insurance or other form of indemnity in the manner and amount required by the Registrar.

The current recommendation for coverage is no less than \$10,000,000.00. Information on medical liability coverage can be obtained directly from the Canadian Medical Protective Association (CMPA) or other private insurer.

Once your licence is issued, the College of Physicians and Surgeons of Nova Scotia, periodically exchanges information with the professional liability provider confirming your coverage.
