

## College of Physicians and Surgeons of Nova Scotia

<b>SECTION</b>	<b>PRACTICE ENHANCEMENT PROGRAM</b>		
<b>POLICY NAME</b>	<b>Duty of Members to Cooperate</b>		
<b>APPLICABLE LEGISLATION</b>	<i>Medical Act of Nova Scotia – Section 64</i>		
<b>Approved by :</b> Practice Enhancement Committee Council	<b>Approval Date</b> December 2, 2022  December 9, 2022	<b>Reviewer</b> Director Physician Performance	<b>Review Date</b> December 2024

### Background

Sub-section 64(3) of the *Medical Act* states that “every member selected to participate in a practice assessment program has a duty to fully comply with all requirements of the program”. It leaves the details surrounding this compliance requirement to policy.

The CMA Code of Ethics – Section 49 (*endorsed by the CPSNS*) states that physicians “Be willing to participate in peer review of other physicians and to undergo review by your peers.” In Section 46, it states that physicians should “Recognize that the self-regulation of the profession is a privilege and that each physician has a continuing responsibility to merit this privilege and to support its institutions.”

### Policy Statement:

Without limiting the generality of the co-operation required by sub-section 64 (3), a member is expected to fully comply with, but not limited to, the following:

- Permitting peer reviewers to enter and inspect the premises where the member engages in the practice of medicine;
- Permitting peer reviewers access to the member’s records of patient care and to review and inspect these records;
- Providing, in the form required, information requested by the Practice Enhancement Program about the clinical care the member has administered to patients or about the member’s records of care or methods of practice;
- Allowing direct observation of patient care;
- When available, permitting peer reviewers access to practice metrics such as prescription monitoring profiles, test utilization and patient outcomes;
- Providing peer reviewers access to information related to continuing professional development plans and activities;
- Conferring with assessors or the Practice Enhancement Committee when required to do so;
- Permitting and fully participating in any and all re-assessments the Practice Enhancement Committee or peer reviewers deem necessary for the proper administration and completion of the practice enhancement process; and,
- Any practice improvement plan formulated by the Practice Enhancement Committee.
