

Practice Enhancement Program

Information on Claiming Mainpro+® Credits (for Reviewed Physicians)

Completing a **Provincial Practice Review** is a Mainpro+ certified Assessment activity. To claim credits for this type of activity please login to your Mainpro+ account and click on "Access my Mainpro+ Account". Click on "ENTER A CPD ACTIVITY" (green button below your name). Click on "Assessment", "Certified", then click on "Provincial Practice Review". Fill in the required information and click on Submit. In order to gain the full 12 credits, you must fill out the Provincial Practice Review form twice; each time reflecting on a different aspect of your practice.

The following table describes the Mainpro+ activities eligible for certified and non-certified credits:

Activity Category	Certified Activities	Resource	Credits Claimed
Assessment	1. <u>Practice Enhancement Program</u>	Your PPR- NS Final Report	Complete all sections on the Mainpro+ form for 6 certified assessment credits. Complete the form again reflecting on a different aspect of your practice for an additional 6 credits.
	2. <u>Linking Learning to Practice Exercise</u>	Your Practice Enhancement Final Report	Reviewing your Final Report raises a question about your practice that you then investigate further, or stimulates a change in practice or office processes, you can document what you've learned for certified credits. Use a Linking Learning to Practice form to claim <u>5</u> certified credits.
	Non-Certified Activities	Resource	Credits Claimed
	3. <u>Time spent reviewing your Final Report</u>	Your Practice Enhancement Final Report	Reviewing your report is considered a non-certified activity. You can claim <u>1</u> credit per hour as "Other Non-Certified Assessment activity."
