

Guidelines Regarding Reporting Requirements for Nova Scotia Physicians

This document is a physician **guideline** approved by the Council of the College of Physicians and Surgeons of Nova Scotia.

Guidelines contain recommendations endorsed by the College of Physicians and Surgeons of Nova Scotia. The College encourages its members to be familiar with and to follow its **guidelines** whenever possible and appropriate. Note that **guidelines** may contain references to College **standards**.

Preamble

Physicians are responsible to report in many clinical and professional situations. Listed below are hyperlinks to statutes that outline the physician's responsibilities. This document does not represent a full list of information physicians may be expected to report in accordance with institutional, hospital policies or programs. Physicians are encouraged to seek independent legal advice if they find themselves in a situation of potential compromise.

Index of Relevant Legislation and Associated Sections

This policy applies to all physicians when accepting new patients at any point during their practice.
