Renewable Independent Practice Licences

[Back to Table of Contents](#)

Academic, Defined, Full, and Restricted Licences

◆ Determining your eligibility to apply

Review of Qualifications Fee\$350 per application

This fee is a preliminary assessment of qualifications for licensure and applies only to applicants who do not meet the Canadian standards for a [Full licence](#).

Pay this fee through [physiciansapply.ca](#) when you submit the first portion of your application for licensure.

Secondary Review of Qualifications Fee no charge

This applies to applicants who request a second opinion on eligibility.

◆ Applying for a licence

Application for Medical Registration Fee\$350 per application

This fee applies to all applicants for a renewable independent practice licence, including those who paid a fee for a Review of Qualifications.

Pay this fee through [physiciansapply.ca](#) when you submit your application for licensure.

◆ Getting a licence

One-time Registration Fee\$300

PLUS Licence Fee:

For licences issued between January 1st and June 30th\$2300

For licences issued between July 1st and September 30th\$1150

◆ Renewing your licence

This fee is added to the Annual Renewal Fee.

Fees for late renewals:

Late Fee for renewals received after November 30th\$575

This fee is added to the Annual Renewal Fee.

Restoration Fee for expired licences (expiry date December 31st) no charge

This applies to physicians who have NOT provided the College with notice prior to December 31st that they would like to be removed from the Register.

◆ Reactivating your licence

Reactivation Fee no charge

This applies to physicians who have provided the College with notice prior to December 31st that they would like to be removed from the Register.

◆ Refunds

Physicians who take pregnancy or parental leave may be eligible for a partial refund of the annual licensing fee.

All other fees are non-refundable. Please refer to the College policy on [Partial Refund of Licensure Fees for Pregnancy and Parental Leave](#).

◆ Related fees

All physicians practicing under a Defined licence must pay either [Supervision or Sponsor-Only Oversight fees](#).

You must pay [Medical Corporation Permit fees](#) if you are incorporated.

Atlantic Registry

[Back to Table of Contents](#)

- ◆ Atlantic Registry\$500 per calendar year
The Registry is available to all fully licensed physicians licensed and practising without conditions, restrictions, undertakings, or supervision in an Atlantic province. Physicians on the Atlantic Registry can practise throughout Newfoundland & Labrador, Nova Scotia, New Brunswick, and Prince Edward Island after submitting a request to opt-in, paying the fee (valid for the calendar year), and receiving confirmation of approval and licensure in the other Atlantic provinces.

Short-Term Independent Practice Licences

[Back to Table of Contents](#)
