<p>Academic rank and appointments Associate Professor, Dalhousie University Faculty of Family Medicine. President, Medical Staff Association of Cape Breton 2017 - 2021</p>	
<p>Practice Family medicine - office based. Family Medicine - Nursing home - Care of the Elderly Emergency Medicine Cape Breton Regional Hospital.</p>	
<p>Membership in professional and learned societies CAEP CCFP</p>	
<p>Professional service and experience I have worked as a family physician in Sydney, Nova Scotia, for the past 15 years. I have worked in a variety of settings, doing hospital inpatient care, working in the emergency department, in my office practice, in the OR assisting surgeons, and in the local nursing homes. I have also been active in the local medical staff association. Through my practice I have come to know many of the physicians in the local area and have worked closely with the majority of the physicians in Cape Breton.</p>	
<p>Areas of special interest I am very interested in improving the quality of care provided to our elderly patient population. I have been involved extensively in advocacy for improvements to the health care system, and increasing public awareness of how the health care system works. I am also interested in efforts to incorporate internationally trained physicians into the physician workforce in Nova Scotia. I have an interest in improving the treatment of historically disadvantaged communities in health care.</p>	
<p>Honours, grants and awards</p>	

<p>Name Vaughan Marshall</p>	<p>District # 1</p>
<p>Degrees, certificates and diplomas FRCSC, FCOG (SA), MMED</p>
